Clerk

Signed Chairman..... Date

Standing Orders were adjourned for Public Question Time

PUBLIC QUESTION TIME

Mr Bob Bowley – Kerswell Green

Raised issues that were not Parish matters, but procedural council items.

He questioned why the complaint/response from the ICO was only available to view on request and was advised by the Clerk this was because it contained personal data.

Standing Orders were reimposed

County Councillor – R Sutton

Junction 7 M5 Closures from 14th July to 21st August 2015 to allow for road signalisation and aid traffic flow management.

The Ketch has been improved to some extent with road markings on the lanes. Currently pursuing a formal response in respect of pedestrian/cycle access heading north towards Worcester.

Croome Diversion Route – All road signage at Baynall has been removed – hope to continue to provide temporary means of crossing at the weekends.

A meeting is to take place on 14th July 2015 with WCC and Fortis to establish who owns the strip of land at Hillside where there are problems with the kerbing/parking.

Footway Budget – Over the next two years £45K is available for footway maintenance throughout the Wards. Highways have prioritised Main Road and Post Office Lane. (The Council will assist in identifying specific sections)

Parking issues at the shop – A meeting took place between the Highway Liaison Group and Parking Enforcement to monitor the parking problems. No problems were identified during that visit.

Questions

Cllr Michael – From the £45K would some monies be available to improve the pedestrian/cycle access from Kempsey to Clerkenleap?

Cllr Smith – Main Road/Post Office Lane have been identified as the priority areas. Can we identify

any other areas that require attention to the footways?

Cllr Blackwell confirmed he had reported a large overgrown tree located at 5 The Oaks that requires some branches to be cut. It was established this was on WCC land. Cllr Sutton to pursue.

District Councillor – D Harrison.

Cllr Harrison confirmed that the grit bin issue (located in Napleton Lane) is being attended to and was recently addressed at a Highways Forum.

After some intervention with MHDC he had arranged for the litter bin located outside the church to be emptied twice a week. Also the litter bin located at the village shop will be emptied by the refuse collectors.

The dust/noise issue from the Lioncourt housing development is being pursued. Apparently a letter has been issued direct to local residents from the developer. Can the Parish Council please try to obtain a copy?

District Councillor – J Michael.

Cllr Michael confirmed the nuisance of bonfires fell within the remit of Worcestershire Regulatory Services.

Chairman of Neighbourhood Development Plan (NDP) Mr M Biddle.
