Appeal Decision

Appeal Ref: APP/J1860/A/14/2214098

Broomhall Grange, Norton Road, Broomhall, Worcester, WR5 2PD

Decision: The appeal was dismissed.

5. To discuss any additional plans requested by MHDC up to the date of this meeting:-

Application No: 14/01255/FUL

Proposal: Application for the construction of 15 bungalows

Location: Land at The Firs, Old Road North, Kempsey

Comments: Whilst we support this application we do have the following concerns:-

- Concerns with storm/surface water drainage.
- Major concerns with drainage into the pond as we envisage there could be flooding problems as occurred in 2007.
- We would like the applicant to investigate the feasibility of installing a grey water recycling system?
- The inabilities to manoeuvre at the sharp right hand bend for service and delivery vehicles.
- We believe that the access road is too narrow for two way traffic plus construction vehicles. We suggest the applicant investigates the possibility of access along the southern boundary which could form a one way system around the entire development. This would eliminate congestion and inconvenience both during the construction stage and afterwards.
- We would insist that prior to the start of this development that close boarded fence be erected to a minimum height of 1.8m along the northern boundary.

## **PUBLIC QUESTION TIME**

### **Mrs J Clee – Brookend Lane**

Raised concerns living in close proximity to planning application 14/01225/FUL in respect of issues with difficult access and storm water drainage.

Mrs Clee advised some of the trees were subject to Tree Preservation Orders.

### **Mr. M Biddle – Brookside**

Raised concerns due to his property backing onto planning application 14/01225/FUL with drainage.

He also requests if 1.8m fencing can be installed along the boundary to help reduce noise and seeks support from The Parish Council on this matter.
